CURRENT SITUATION

(Recent updates are posted at the top of Current Situation)

The City of Riverside Fire Department responded to a report of a vehicle collision with subjects trapped at the intersection of Sycamore Canyon and Quail Run. The first due Engine Company reported 2 vehicles with major damage blocking the intersection with one patient ejected into the street. An additional engine and 2 additional ambulances were requested to the scene. Riverside City Firefighters found a female patient in her thirties with critical injuries laying in the intersection. They immediately began treating the patient and transported her to an area hospital in critical condition. It is unknown if the patient had her seat belt on at the time of the collision. 2 other patients, a 27 year old male, and a 24 year old female were treated and transported to area hospitals in moderate condition. The intersection of Sycamore Canyon and Quail Run are expected to be closed for several hours as Riverside Police Departments Major Accident investigation Team investigates the collision.
